---

## **News/Alerts - Last update Jan 2021**

**(<https://galwayem.ie/administration/newsalerts-last-update-jan-2021>)**

Please find the latest news updates from the Emergency Department below:

### **Tue 07/07/2020**

We would like to wish all the doctors leaving the GUH ED the very best of luck in their careers and thank them for all the hard work during their time here. We welcome all new staff to the department and look forward to working with them over the coming months.

### **Sun, 05/07/2020**

New procedural sedation and RSI policy and guidelines now available on our [Treatment Pathways and Useful Forms](https://galwayem.ie/resources/treatment-pathways-and-useful-forms) (<https://galwayem.ie/resources/treatment-pathways-and-useful-forms>) page.

### **Mon, 04/11/2019**

Visitor restrictions are in place on St Pius's ward due to a number of cases of Norovirus.

Further information available [here](#)

(<https://saolta.ie/news/visiting-restrictions-place-university-hospital-galway-due-norovirus>).

### **Fri, 01/11/2019**

New chest pain pathway available here:

[Chest pain Pathway and HEART Score, ED UHG](#)

(October 2019)
